

For your health and safety, please wear the appropriate clothing while using the fitness facilities.

- **Shirts must cover the entire torso**, including stomach, back, rib cage and chest. Shirts exposing the torso (cut off tops, crop tops, sports bras, ringer tank tops, etc.) are not permitted in the fitness facilities.
- **Shorts must be of a modest length that allow for full coverage**, even during movement.
- **Bottoms should be free of belts, studs, rivets, and zippers.**
- **Closed toe and heel activity-appropriate footwear is required.** No bare feet, socks, open toed shoes, loafers, sandals, Crocs, boots, or slippers are allowed.

Our dress code policies are in place to help protect you against the transmission of viruses and skin infections and to maintain the life of the equipment. If the dress code is not met, Campus Rec staff will ask you to change or leave the facility.

Find all of our facility policies online at play.binghamton.edu
