

**HOW TO READ YOUR  
DEGREEWORKS  
and  
PROCESS A “WHAT IF”  
for  
COMPUTER SCIENCE MAJORS**

**READING YOUR DEGREE WORKS AUDIT**

1. Navigate to your DegreeWorks via BUBrain. Select the “Student” tab, click on “Student Records” and then click on “Degree Works”.

The following should be used as a key when reading through your Degree Works requirements:

-  Requirements with an empty red box are incomplete
-  Requirements with a blue tile are in progress
-  Requirements with a green check mark are complete

***Please be sure to review your Degree Works in detail. It is important that if you have questions about your Degree Works or if courses are missing or don't appear to be applying as they should, that you come in and speak with a Watson Academic Advisor as soon as possible.***

2. Your Degree will be shown at the top of your Degree Works.

<b>Degree</b>	<b>Major</b>	<b>Student Class Level</b>
BS ▼	170 BS Computer Scienc	Fresh 2 Star

If you have multiple degrees, you can view them by clicking the down arrow in the Degree box.

3. The first block that you'll see contains your personal identification information and general information about you as a student including GPA, academic standing, majors/minors and financial aid information, etc.

Student View 800730524 as of 09/18/2018 at 00:22			
Student		Level	Undergraduate
ID		Degree	Bachelor of Science
Classification	Fresh 2 Standing 8 t	College	UG Watson
Advisor	<a href="#">Click Here for Advisor Info</a>	Major	170 BS Computer Science
Overall GPA	3.77	Minor	
Transfer Student	No	Candidate	
Holds		Sport	
Confidential		Audit ID	A009CKNI
Fin Aid Fed	Yes	Fin Aid TAP	Yes
Registered	No	Fin Aid Excl	No

**NOTE: It is important when meeting with an advisor to make them aware of any NYS Financial Aid that you are receiving so we can ensure you meet the eligibility requirements.**

4. The Degree Progress bars can mainly be ignored until you are preparing to graduate. They will say 100% when all of your degree requirements have been met.

5. The Bachelor of Science block contains the high level requirements you must meet in order to receive your degree including the number of total credits, the Watson residency requirement and liberal arts credit requirement. Additionally, it keeps track of the GPA requirement, High School Transcript and your overall Gen Ed and Major requirements.

Bachelor of Science		Academic Year: 2018-2019
<p>Unmet conditions for this set of requirements:</p> <p>A minimum of 126 Credits are required. You have earned 25 credits, which includes In Progress classes you are taking. You need 101 more credits.</p> <p>To fulfill the residency requirement 40 credits must be taken in the Watson School. You have earned 5 credits, which includes In Progress classes you are taking. You need 35 more credits.</p> <p>60 Credits Required in Liberal Arts. You have earned 20 credits, which includes In Progress classes you are taking. You need 40 more credits.</p> <p>126 credits are required to graduate. You have taken 25 credits which includes In Progress classes.</p>		
<p><input checked="" type="checkbox"/> 2.0 GPA requirement met</p> <p><input checked="" type="checkbox"/> You have submitted your final high school Transcript</p>		
<input type="checkbox"/> General Education Requirements	Still Needed:	See <a href="#">General Education Requirements</a> section
<input type="checkbox"/> Major Requirements	Still Needed:	See <a href="#">Major in Computer Science</a> section

**NOTE: In order to graduate you must have a *cumulative GPA* of a 2.0 or better AND a *major GPA* of a 2.0 or better.**

6. The General Education Requirements block lists all of the Gen Ed requirements and in the instances where there are multiple ways to fulfill these requirements, lists out those options.

General Education Requirements		Academic Year:	2018-2019
<ul style="list-style-type: none"> <li><input type="checkbox"/> 1. AESTHETICS (A)                             <ul style="list-style-type: none"> <li><input type="checkbox"/> Aesthetics Course</li> <li><input type="checkbox"/> Aesthetics Course</li> <li><input type="checkbox"/> 4 Credits of Music Performance</li> </ul> </li> <li><input type="checkbox"/> 2. COMPOSITION (C or J) &amp; ORAL COMMUNICATION (O or J)                             <ul style="list-style-type: none"> <li><input type="checkbox"/> Joint Composition/Oral Communication (J)</li> <li><input type="checkbox"/> COMPOSITION &amp; ORAL COMMUNICATION</li> <li><input type="checkbox"/> Composition (C)</li> <li><input type="checkbox"/> Oral Communication (O)</li> </ul> </li> <li><input type="checkbox"/> 3. 8. Below the major requirements you will be able to see courses that are falling into an Electives category. These are courses that are giving you credit but not necessarily progress towards your degree.

Electives				
MATH XXX	Math Elective	TC	4	Summer 2018
Satisfied by: AP66 - Advanced Placement EXM				

**NOTE: If you are a recipient of NYS Financial Aid and the courses you are registered for fall into this category, come in and speak with an advisor to ensure that you are meeting the eligibility requirements of your award.**

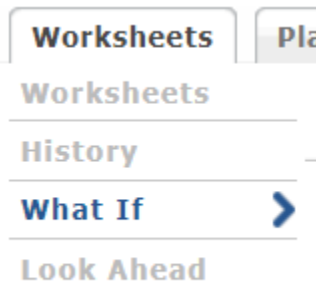

9. You can also see the courses that you are currently registered for in the In-progress block.

In-progress					Credits Applied: 17	Classes Applied: 6
ARTH 110	Introduction to Art History I	IP	4	Fall 2018		
CS 101	Prof Skills Ethics & CS Trends	IP	1	Fall 2018		
CS 120	Prog & Hardware Fundamentals	IP	4	Fall 2018		
HIST 285E	Jewish History Ancient to 1500	IP	4	Fall 2018		
MATH 224	Differential Calculus	IP	2	Fall 2018		
MATH 225	Integral Calculus	IP	2	Fall 2018		

**PROCESSING A WHAT-IF**

1. Select the What If from the menu on the left hand side of the screen.

2. This is what the form will look like:

Select your **primary** area of study. You must select a college.  
 Disclaimer: Running a What-If audit is not an official report and does not change your major.  
 See your academic advising office for information on changing your major.

Academic Year: 2018-2019  
 Program: Computer Science BS  
 Level: Undergraduate  
 Degree: Bachelor of Science  
 College: UG Watson  
 Major: (pick a Major)

Select your **additional** areas of study

Program for additional areas: (pick a Program)  
 Major: (pick a Major)  
 Add  
 Chosen Areas of study  
 Remove

Choose Your Future Classes

Enter a course and click Add Course  
 Subject:   
 Number:   
 Add Course  
 Find  
 Courses you are considering  
 Remove Course

3. In the first block, select your primary area of study – you must select both a Program and a Major. In most instances this will be a Computer Science BS and Computer Science BS 170, respectively. If you want to look at changing your primary major you can do that in this block as well by selecting any other program.

4. In the second block, you can add additional areas of study – for example if you wanted to complete a Math double major. Select both the Program and Major again and click Add.

5. The third block allows you to add specific courses (ex. Subject – WRIT, Number - 111) to see how it would affect your degree progress. You can add multiple courses at the same time. This is also the look ahead feature which can be used as a stand-alone tool as well.

6. Once you've created your desired scenario, you can click Process What-If at the top of the screen. This will take you to what your Degree Works would look like given your inputs.

***As always, if you have questions about your Degree Works, how to process a What If, or want to map out a course plan, stop into Watson Advising and let us help you!***
