Vaccination Medical Exemption Request Form for Measles, Mumps, Rubella (MMR) Vaccines

To request a medical exemption from the New York state MMR vaccination requirement complete Part I, including the demographics section, the acknowledgement checkboxes and the signature. Ask your medical provider to complete Part II, and Part III, then submit the completed form to the Decker Student Health Services Center (DSHSC) as follows:

- Students who have paid their deposit should submit the form using the "Uploads" section of the student health portal (https://binghamton.medicatconnect.com). Use the "Student Health Requirements" reason. If the form is uploaded elsewhere on the portal it will not be reviewed. A decision regarding your request will be provided via the Secure Messaging function of the student health portal.
- Students who have not paid their deposit should fax the completed form to the DSHSC's confidential fax at 607-777-2881, or by US Postal mail at: Binghamton University, Decker Student Health Services Center, attn: Medical Director, PO Box 6000, Binghamton, NY 13902.

LAST NAME

| Check each box to acknowledge: | | | | | | |
|--------------------------------|--|----------------------|--------------------------------------|------------------|--|--|
| | ☐ If my request is granted, I acknowledge that I will be required to understand and comply with the Binghamton University's health and safety protocols pertaining to unvaccinated or under-vaccinated individuals. Furthermore, I acknowledge that the consequences of not complying with these regulations may include having a hold placed on my ability to register for future courses or being deregistered from current courses. | | | | | |
| | I certify that my state | ements above, and ar | ny supporting documentation, are tru | ue and accurate. | | |

*Student's signature, or parent/legal guardian must sign if the student is under 18 years old as of the first day of classes.

Note: The campus reserves the right to request additional documentation to support a request for a medical exemption.

Part II. Medical Exemption Request (to be completed by medical provider only)

A licensed medical provider (Physician, Physician's Assistant or Nurse Practitioner) and the requesting student should review the CDC guidance regarding contraindications for MMR vaccine. By completing Part II, Section A of this form the medical provider certifies that all methods of vaccinating against the MMR viruses have been fully considered and that the student has at least one contraindication or precaution that precludes vaccination.

| I certify that my patient (named contraindication or precaution: | Part I) cannot be vaccinated with the MMR vaccine because of the following | | | | | |
|--|--|--|--|--|--|--|
| Contraindication: Precaution: | | | | | | |
